Fuel Injection Systems and Parts

**During those unforeseen and uncertain times,
our production is still up and running**

As a company we were fully prepared, and our colleagues are all continuing their work, taking all steps to ensure that we remain 100% operational and continue providing all our services .

You, our clients and business partners, can rest assured that we will do everything to fulfil the commitment of DUAP Ltd.

Hope you and your families will stay healthy.

Regards,
